3D computer animation / 04:57 min. / MiniDV / © 2001 Harald Holba

Pool\_2 attempts to convey the emotional tension of a staged stress situation by selectively depicting a person's subjective perception. Its visual grammar resembles that of a first-person computer game. A swimming pool in a windowless basement room with the characteristic "cool" architecture, typical up and down movements and the flash of the screen when the water's surface is broken...
